Examiner Francine Young
Assistant Commissioner for Patents
Washington, D.C. 20231

Applicants thank the Examiner for the telephone call today in which she noted that there was an error in the filing papers identifying the PCT priority application. The filing papers incorrectly indicate that the PCT priority application is "PCT/FI00/00704". However, as the Examiner pointed out, the correct number of the PCT priority application is "PCT/IB00/00704".

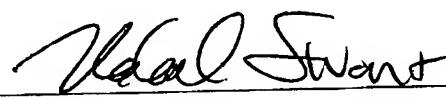

The Examiner indicated that she would correct the filing papers accordingly upon receipt of this Communication, and applicants thank the Examiner for this courtesy.

If there are any additional fees or charges required at this time in connection with the application, they may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Should the Examiner have any further questions, please call the undersigned.

Respectfully submitted,
COHEN, PONTANI, LIEBERMAN & PAVANE
